ST. PAUL'S ANNUAL GIVING | PLEDGE DRIVE 2023

**What if your support helps your community help you...
What if together we can extend the welcome of St. Paul's...
What if you make all the difference...**

Dear St. Paul's Parishioners,

As we continue to regather at this beloved church, we ask that you imagine "What If" as you consider your ongoing support of St. Paul's on the Green. This welcoming community continues to offer opportunities for us to live a faith-filled life, giving space for us to imagine our bright future together.

Do these heartfelt words from your fellow parishioners echo your own?

"I've never seen a church with such an active healing ministry, and it's so meaningful for me."

"I've always wanted a more heartfelt feeling at communion and I feel that at St. Paul's."

"The invitation to join the St. Paul's community was perfection. I can't imagine anyone receiving it wouldn't be moved."

"St. Paul's is open, present, ready to meet you."

Let your vision, imagination, and spirit fly as we embark on this year's giving.

Help keep St. Paul's vibrant, healing, strong: Please consider an amount that is meaningful to you and your family. If you are not able to give at this time, **know that you are always welcome at St. Paul's.**

We appreciate you returning the enclosed pledge card by November 18. We will be presenting the pledges at the altar on November 20.

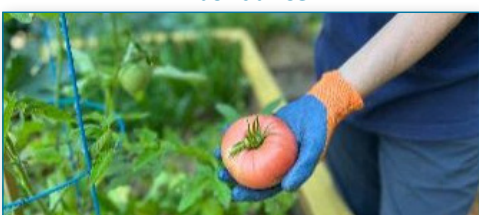

"What if" St. Paul's leads you closer to God and closer to one another... We can do this together!

Thank you for giving,

Anthony Howard Crisci, James McNutt, and Audrey Cozzarin

Abundance

Sacredness

Diversity

What if we reach our goal together?

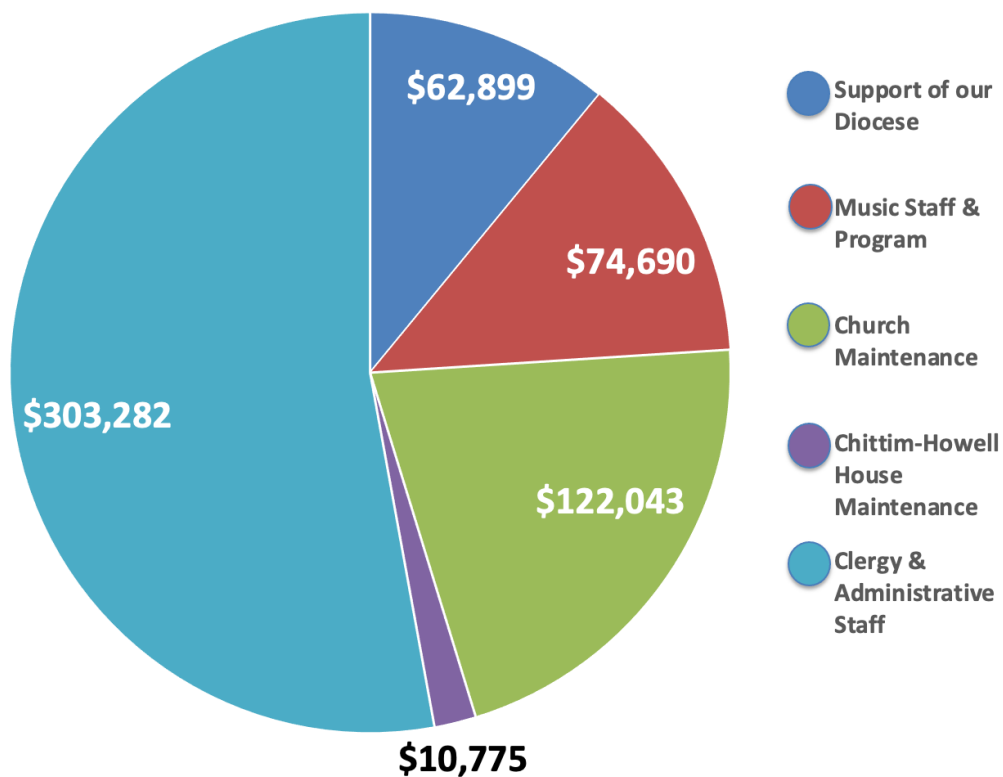

For 285 years, St. Paul's has existed as an intentional religious community located right here in the heart of Norwalk. As we imagine what the next 5 or 10 years will look like at our beloved church, we invite you to join us in imagining, "What if?"

As we dream of what goals our community may achieve together in the future, we are pleased to share with you that as of 2022 St. Paul's is now completely debt-free. With your help, this year we finished paying off the last of a capital expense loan the church has been carrying since 2008. We also signed a 2-year lease with Watch Me Grow Daycare that will generate \$36,000 in funding over the next two years to support the maintenance of our facilities.

What if you make all the difference?

Thank you! Each and every pledge and gift to St. Paul's makes a difference and helps us to achieve our financial goals. In 2023, we estimate that it will cost \$573,000 to fund our church. **Can you contribute towards this goal?**

What does it cost to fund our church?

Your participation in the life of our community: *PRICELESS*

“Give, and it will be given to you.”

– Luke 6:38
